

My name is *Joaquín Lluís M.* a Digital Designer

From Buenos Aires

→ Personal Information

Education & Skills

Work Experience

Hobbies

I'm a 26 years old UX UI Designer from *Buenos Aires* currently working at *Mercado Pago* in *Mercado Libre*. I teach *Typography* in the University of Buenos Aires. I'm cofounder of an awesome subway app, *Anden*.

I love coding html an css, animation, and I play drums and sing in my spare time. I'm always open for new opportunities to explode skills.

SOME SKILLS

□ Product design

I like to mix my skills to make beatiful accesible & useful digital products...

□ Visual Design

I'm very careful with visual details, I love illustration, animation & micro interactions

□ UX Design

I'm a user first thinker. I love doing UX research with users & data analysis...

□ Frontend Development

I'm a code lover. I love putting my design in code and help developers sort difficult visual coding issues...

□ Languages

I speak english and of course I'm a native spanish speaker.

Lê't me tell you that I'm a really hãrd wørker

NERD STUFF

- T** **Ted Talks Fan**
I love watching nerd videos about science & nerd stuff too...
- A** **Audiobooks of UX, Product, Tech...**
I'm a total fan of audiobooks, I listen a lot of product, psychology & UX related books...
- G** **Gym & Health**
I'm a big fan of gym & good food...
Do you even care about this?
I don't know...

Stüff I löve tøø

This and that

COOL STUFF

- D** **Drumming**
I play drums since I was 17.
Music is my main way of de-stress.
 - P** **Photography**
I love photos, probably I'm never gonna become a photographer, but I enjoy taking photos.
 - S** **Singing** **NEW**
Private learning since early 2017
I got a lot of progress through this year.
It became something amazing for me like drumming.
